

What to do next

1. Print this page and attach the label below to the front of your parcel ensuring any original delivery labels are covered.
2. On the label itself, please include your Name, Order ID and Returns ID to help us process your request.
3. Choose a return method of your choice. Don't forget you'll need to pay for your returns postage. (see our Returns Policy for further details)
4. Please obtain and keep your postage receipt until your return has been processed.
5. We'll send you an email within 3-5 working days to confirm we've received your items and confirm your refund/exchange.
